

# BUSABOUT

## NEWSLETTER

July 2017

### SERVICE DELIVERY

Busabout appreciate your continued support and patience with the ongoing road work on Narellan Road for the Narellan Road Upgrade Project. We are currently working with Transport for NSW to combat issues which have stemmed from the project. Keep in touch via our website for updates and changes.

### ADDITIONAL SERVICES

The Camden region is still experiencing significant growth, with more commuters travelling to Leppington Station, the terminus of the South West Rail Link. A joint initiative between Busabout and Transport for NSW has facilitated additional late night and weekend Route 841 services, effective 30<sup>th</sup> April 2017. These additional services will help ease congestion on Narellan Road, providing an alternative link to train services to and from Sydney CBD.

### COMMUNITY

During May 2017, Busabout had the opportunity to be Silver Sponsors and attend the Annual Camden Meals on Wheels 'Celebration of our Centenarian's Luncheon'. This annual event is held in honour of local residents who have or will reach the age of 100 or higher this year.

### OPAL

From 3<sup>rd</sup> July 2017, minimum Opal Top Up amounts online will be reduced, reducing queues at Opal Top Up ticketing machines, and making travelling on public transport easier and more convenient. New Top Up values will be:

	Current website minimum top-up values	New auto top-up minimum values	New website top-up minimum values	New Travel App minimum top-up values
Adult	\$40	\$10	\$10	\$10
Child/Youth	\$20	\$5	\$5	\$5
Concession	\$20	\$5	\$5	\$5
Senior/Pensioner	\$10	\$5	\$5	\$5
