NEWSLETTER

June 2018

FOUR YEARS ON AND STILL GOING STRONG!

Busabout have finished the fourth year of the Sydney Metropolitan Bus Service Contract for Transport for NSW, with exceptional results for on-time running, customer feedback management and growth in passenger boardings. Through ongoing roadwork and continued development in the area, Busabout have been able to deliver additional services to meet the increasing demand, whilst updating and adding buses to our ever-growing fleet.

SERVICE ENHANCEMENTS

Residential growth is occurring faster than ever before in the Campbelltown and Macarthur regions. With this, Busabout have worked tirelessly to stay at the forefront of the future of bus transportation in our region, by building strong relationships with local councils, estate developers, schools and Members of Parliament. These relationships have helped us to plan and make strategic decisions for the growing demand for bus services.

To meet this demand, Busabout have implemented a new route 897 from Smeaton Grange to Campbelltown Station, which operates from Monday to Fridays to service the expanding industrial estate. There have also been ongoing additions and changes to dedicated school services to accommodate for the large number of new residents moving to the area.

More information of these service enhancements and changes can be found on our website www.busabout.com.au

COMMUNITY INVOLVEMENT

In support of the Variety Children's Charity NSW Bashes, Busabout has made a donation to 2018 Variety Bryden's Lawyers B to B Bash that will travel from Bonnyrigg to Braitling, over 10 days.

This event allows participants to drive 30-year-old+ cars through regional parts of Australia, whilst visiting kids in the local towns, schools and other organisations. Our contribution to this event will help to provide a range of educational, health and mobility equipment to these schools and organisations.

WANT TO WORK WITH US?

Like our region, we too are growing quickly. Busabout are on the lookout for Bus Drivers and Mechanics to join our team. If you are interested or would like more information, please call us on 02 4631 4200 or visit us at our Smeaton Grange depot.
